Parking for Reading Canoe Club K4 2024

Visitors to RCC are requested to park with consideration for our near neighbours – the road is narrow in places and difficult-to-impossible to pass with vehicles parked.

Do not park where the red cones are placed.

1) There is limited parking on the hill between the churchyard and the Club's main gate – just be aware this is rough ground with some tree stumps to be avoided.

2) Once this is full, we suggest you either drive round and park at Rivermead Leisure Complex, RG1 8EQ or park on Albert Road. Albert Road Parking is indicated on the map below. Follow the blue line in your car, up the hill and round. Park on Albert Road, then it's a 5 minute walk down the Mount cut thro, across the main road to the club.
