Richmond Hasler

Course Divisions 7-9 6.5km

Starting downstream at Ham Carpark buoy A, head downstream and turn at buoy B, after Glover's island and the line of boats.

Head upstream past buoy A, taking the left channel at Eel Pie island. Keep river right in this channel to buoy C. Going upstream, turn at Teddington Lock buoy D.

Head downstream, keeping river right past buoy C, taking the channel to the finish at Ham Carpark.

Keep river right and right of all marked race buoys. All turns are anti-clockwise. Only cross the river at a turn and if it is safe to do so.

Port of London Authority PLA and Richmond Canoe Club safety boats will be on the water. Follow their guidance when requested.

The Thames can be busy in the summer with both personal craft, rowers and cruisers. When passing slower river users such as SUP boarders, make your presence known and keep your distance.
